Abstract

Long Beach Garden Hotel and Spa is 4 star hotel located in the peaceful northern end of Pattaya. There are 4 buildings called Long Beach, Thai style hotel, Colonial style and Bali style, Long Beach Plus, Boutique Style, Long Beach Pavilion, Villa & Vila, resort style. There are fully facilities and services, for examples two swimming pools, three restaurants, the most famous in Pattaya is Bistro Park Restaurant. Also fitness and spa. For all of this reason make me so interested in this hotel for my cooperative program.

I would like to have my internship there because I hope the hotel will give me good experiences and give me the right position.

Finally, I got the guest relation food and beverage position. My responsibilities are about take care the guest when they come to restaurant, make a short conversation with them and also take care of VIP and special guests.

There are many challenges and problems experienced in the duration of my internship but I was able to handle all of them. The internship prepared me well in terms of personal and professional challenges.
