Abstract

I have completed my internship having the duration of 18 weeks at El Nino Restaurants, a branch of Pomodoro Groups Company Limited, which is located inside Amata Spring Country Club, Chonburi.

It is a part of my Bachelor's Degree completion. It is my first time to work in a real workplace with staff and customer during the period from 09/01/60 to 12/05/60. I had a lot of responsibilities, obligations and problems while working there. However I have gained useful experiences and learned to solve problems.

The report will show my internship duties in Hostess position. It was my first time that I used English language for conversation with many foreig customers who spoke with different English accents .I tried to practice my skills with them every day. At the same time I had pressure from my trainer regarding work. I had to learn how to avoid problems for working my work easier.

I have tried to write my reports with easy sentences to understand easily. I hope my experience of internship in this report would bring success.
