Abstract

This report is about your personal history and life in the internship duration 4 months at the King power duty free sales is a business with branches in 5 airports and 4 complexs include: Suvanabhumi airport, Donmueang airport, Phuket airport, Cheangmai airport and Hatyai airport and Rangnum complex, Srivaree complex, Pattaya complex and Phuket complex. King Power has all brand of Thailand and foreign brands there are many tutorials whether it's clothes, shoes, bags, cosmetics, electronic, food and beverage. This has gathered.

I planned to start my internship there because I hope the King Power would provide me good experiences and offered me the right position.

Finally, I worked as sales position, my responsibility are taking care customer, as information product, offer product and promotion and other responsibility I help staff to cleaning the shop and sort product.

Since I started working I have meet many problem and tired work will stand forever customers a lot of different countries listen to the language does not have the eyes to help. All went well with the problem through a joint effort of the team.
