Abstract

To sum up my internship report which contains five chapters that are also divided into subcategories, explains my nineteen week work experience at my organization I chose. Each chapter contains a wide variety of accounts as summarized in my weekly reports.

I have completed my internship the duration of nineteen weeks at TSIX5 hotel located in Pattaya, Chonburi Province. It's my first time to work at hotel, during the period from 08th January, 2018 to 18th May, 2018. During my internship I had a lot of responsibilities and problems while I worked as receptionist .One of the reasons I chose to be and intern there, is I have always had an interest in the name of hotel. This internship helped me learn about myself and what I want to do for my goal life. I hope my experience of internship in this report would bring success.
