Abstract

I have completed my internship having the duration of nineteen weeks at Arts Crafts and Thai Culture (1988) Limited, located on Pattaya, Sukhumwit Road, Chonburi Province. It is a part of my Bachelor's Degree completion. It is my first time to work in a real workplace with officers during the period from 9 January 2018 to 18 May 2018. I got a lot new experience work with new people and speak with the foreigners.

The report will show my internship duties in Mini Siam place. It was first time that I used English language for conversation with many foreigners who spoke with different English accents, and I tried to practice my skills to talk with them. At the same time I had pressure from my trainer regarding work. I had to learn how to fix problems quickly.

I have tried to write my reports with easy sentences to understand easily. I hope my experience of internship in this report would bring success.
