ABSTRACT

This report has been written as a partial fulfillment for my Bachelor's Degree. The requirement of Internship Training was from 21 August to 21 December, 2018 at The Residence Airport and Spa.

The preliminary part of the report provides the brief information; introduction, background, its purpose to form and about my self-objectives.

Later part of the report provides the information related to the assistance as an internship student and describes the importance of the internship student in an organization. It also describes the methods and self-evaluation and duties and responsibilities which are helpful to carry out in the quiet diligent manner. Then it describes problems and solutions performed during the internship training program.

The last part of the project consists on the suggestions and recommendations to the future EBC students and as well to enhance overall efficiency of the EBC students.
