CHAPTER 2: METHODS AND SELF-EVALUTION

2.1 Procedures

After considering a list of organizations, I selected Avatar Bar Pattaya. It is a very interesting business, here I could meet variety of people with different English accent

The following was the procedure which I followed to obtain a place at Avatar Bar Pattaya.

- The staff of Co-op Education Internship Program informed me about the internship program.
- I found information about the place I want to take internship.
- I called to the owner of Avatar Bar Pattaya to ask about the internship.
- I wrote my resume and filled in cooperation education documents
- I sent all concern document to the owner.
- I went to interview at the bar.
- I was accepted as an intern and I prepared the necessary documents for my internship.
- My advisor went to the workplace for Cooperative Education supervision.
- I made the weekly reports and Cooperative Education report.
- I presented about my Internship.
- I concluded all the weekly reports.

2.2. Self-Analysis

I am a fourth-year student in English for Business Communication program. I can communicate in general English every well also reading

In case of internship at Avatar Bar Pattaya at first, I didn't understand about Bar Business at all. My English must be more friendly, informality and quite rude sometimes. It was different from the hospitality job I used to work, here I need to more polite, highest respect, paid a lot of attention. Therefore, at Avatar Bar Pattaya, my English can be used in daily life.
