Abstract

I am a bachelor's degree student. The reason I chose an internship at Khlongsuan Subdistrict Municipality. Because I had a car accident in May 2018 Causing my right leg bone to be broken and I cannot walk. I spent treatment for up to 6 months. And I started an internship in January 2019. I just started practicing walking around mid-December 2019, which my symptoms are not very good. I must therefore be in the care of the parents. Therefore, need to choose a place of internship near the house and let the parents go to pick up and send. And the important thing is that I want to graduate at the same time in the field I therefore do not want to waste time without being useless for 1 year. My job that I have done in this internship is that I am a public relations officer. Is something that I'm interested in and love Although I do not use English in communication I always sought knowledge for myself. By reading books and learning from online media.

In this internship report I have described my experiences during my internship period. The internship report contains an overview of the internship and the activities, task that I have worked on during my internship. In this report, I have also described and reflected my learning objects and personal goals that I have set during my internship period.
