Abstract

I have completed my internship for the duration of eighteen weeks at Khao Kheow Open Zoo that located in Bangphra subdistrict. This is a part of my Bachelor's Degree requirement. During the period from 07 January 2019 to 10 May 2019, I work in an attraction as a trainee. I had responsibilities and day-off like a zoo staff, and I gained the new experiences from the real life. In this report, I have revealed what experiences I have earned and problems that I met.

The report represents my internship duties and other responsibilities. My responsibilities were a receptionist, an operator, a guide, and a ticket seller. I used my English skills that I had studied from the classes to work. I communicated and informed the foreign customers.

In this internship report I have described my experiences and responsibilities with simple sentences to understand. I hope the readers get benefits from this report.
