ABSTRACT

I am bachelor degree student in English for business communication, Faculty of Liberal Arts Sripatum University Chonburi Campus. I have completed my internship which lasted 16 weeks at Air Macau at Suvarnabhumi Airport. The reason I chose an internship here was because Suvarnabhumi International Airport is the main airport of the country with a diverse range of people and ethnicities. It has also been evaluated as one of the top performing airports in the world. I wanted to practice my English language skills along with other languages. I wanted to get a new experience in the aviation industry and I wanted to improve myself in various areas. In this report, I collected my work experience from 22 May 2019 to 31 August 2019.

This report shows responsibility for my work. And work experience throughout the internship at Air Macau. This report will be very useful for new internships and for everyone. This report shares my internship experience in English for communication with foreigners. And I have developed my skills regarding work sentences or vocabularies in the aviation industry I hope this report will be useful for everyone. Especially those who are interested in internships or working in the aviation industry.
