ABSTRACT

This report describes my internship experience at the Thai Kikuwa Industry Company Limited in Chonburi, and it is divided into five chapters. Chapter One details about the company profile and background. It also includes the mission and vision of Thai Kikuwa Industry Company Limited to become the leading company in Asia. Chapter Two provides related documents that I had done research before I went to do an internship at Thai Kikuwa Industries Company Limited. Chapter Three provides the duties and possibilities were assigned to me. Chapter Four discusses about the problems I faced while I was a trainee and the solution to them. Chapter Five summarizes the Cooperative Education that I completed. It also includes the experience and knowledge that I have gained.
