Abstract

I am a bachelor degree student in English for Business Communication at the Faculty of Liberal Arts of Sripatum University University Chonburi Campus. I have completed internship having duration of sixteen weeks at Aeroklas company for my internship which was my workplace.

Moreover, I wanted to gain knowledge about how system works. I wanted to have the experience from this internship. One of my main goals was to improve my English and Chinese skills, so I chose my internship here. I wanted to practice my English and Chinese skills: such as listening, speaking, reading and writing here. My position was design engineer and controller and in this report I have included my working experience during the period from January 13, 2020 to May 8, 2020.

The report will show my internship duties at Aeroklas company. This report includes my responsibilities of training and experience of work in the form of weekly reports, which was very useful for internship for new interns and for everyone. This report shared my experience for using English language for conversation with foreigners customer with many difference English accents, and I developed my skill about sentences or vocabulary. I hope this report would help share about my workplace that look good as a place for everyone. I tried to write my reports with easy sentences to easily understand. I hope my experience of internship in this report would bring success.
