ABSTRACT

Internship is one of the requirements for EBC students to successfully complete study. This internship program aims to provide students with more knowledge and work experience. This internship program is hosted at Hotel Nikko Amata City Chonburi, located in AMATA City Chonburi industrial Estate, about 60 kilometers east of Bangkok.

Hotel's Mission is for all the guest happiness and joyfulness, Hotel Nikko AMATA CITY CHONBURI, as the gateway of Amata Smart City, will promise to provide comfortable facilities and communal space with international service standard along with a sense of Japanese hospitality. The internship program runs from 8th January until 4th May, 2024. This internship report presents case studies from each department. I used an observational method to write this report.

In this internship report, I have described my experience in every assignment. This internship report contains an overview of my internships and activities, as well as my objectives.

I hope this report will be useful to readers or people who are interested in working for a component import and export company.
